Miranda Wins International Law Firm of the Year

Miranda & Associados has just won the "International Law Firm of the Year" award in the 2019 African Legal Awards, organized by the prestigious Legal Week publication.

On the award, Diogo Xavier da Cunha, Managing Partner, stated: "We are deeply honored by this award, which motivates us to continue to walk the path of excellence and innovation that we have been following since our early years.

"The pride and responsibility with which we receive this award are all the greater when we were shortlisted alongside top-tier law firms.

"A very special word of gratitude to all our clients, some of which have been honoring us with their preference and trust for more, than three decades. A huge thanks to our lawyers and staff for their relentless commitment and dedication. Our strength and ability to overcome the daily challenges we face are very much due to them. We must also pay tribute to all colleagues at the Miranda Alliance member firms, whose allegiance to our international project is another of the foundations which sustain and consolidate our reputation in the ever-more competitive and global legal services market."
